Emerald is a global publisher providing you with the highest quality, peer-reviewed research. With over 40 years' experience, Emerald manages a portfolio of over 290 journals.

Featuring journals that are indexed by Thomson Reuters (ISI) and Scopus, content is selected for original contribution to the subject field, as well as practical relevance to policy making and future inquiry.

Emerald eJournals

More than 170,000 articles, featuring comprehensive coverage of management and complementary specialist subjects

Emerald Backfiles

Rediscover historical research with space-saving, online access.

The world's leading publisher of management research

- Helping the world to be better managed
- Bridging of the gap between research and application

Every week get free access to two selected journals
View the schedule for the forthcoming journals of the week.
This week's title:

Emerald News

Fast direct links to our Books & Journals Titles

- Emerald exhibits at V&A A 2010 - Booth 30
- Emerald's new online portal on show at ALA Midwinter 2010, Boston, MA - Booth #1360
- Emerald offers pay-per-view access to eBook Chapters
- New Editor for acclaimed LIS Book Series

A standard word search across all fields, including document text will be performed and will return a broad range of results. When a tick icon is visible ✓, you will have access to this content (see image below). When no tick icon is visible, you will not have access to that content.

Other ICONS and their context:

- B** Backfiles content (Articles which are only available with a Backfiles database subscription.)
- E** Early cite content (A pre-print of a paper, subject to change before publication.)
- A** Articles where only the abstract is available (no full text content.)
